Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Prior to taking up the above-identified patent application for review, please amend the application as follows:

**IN THE CLAIMS**

~~Please cancel claims 1 - 21 without prejudice or disclaimer.~~

**REMARKS**

The present application is filed with new claims 22 - 41. These new claims were not present in the parent application as filed. Claims 22 - 41 are directed toward the subject matter restricted out of the parent application and are believed to be fully supported by the specification. Claims 22 - 41 are now pending.

The specification was amended to add a cross reference to the prior application. No new matter is added by way of this amendment.

The new claims and amendment to the specification are incorporated into the specification so that they will appear in the published application.

The application filing fee as calculated on the application transmittal sheet reflects the amendments to the claims described above.
